HOME DEPARTMENT

G.O.Ms.No. 2667 Dated 13th July 1948
Read the following:-

ORDER.

Whenever petitions are received by the Government requesting release of prisoners on parole, they are referred to the concerned District Magistrates for remarks. The District Magistrates are at the same time requested to furnish information on the following points:-

(1) whether the reasons given in the petition for release on parole are genuine:

(2) in case the Government decide to release the prisoner on parole, what conditions should be imposed; and

(3) having regard to the status and financial condition of the prisoner, how many sureties, and for what amount, should be demanded as a condition of his release on parole.

2. In a recent case, the District Magistrate did not definitely recommend release of the prisoner on parole; nor did he say that the request for release on parole should be negatived. He merely suggested the conditions on which the prisoner may be released on parole in case the Government decided to do so. The District Magistrate's report did not therefore help the Government, to arrive at a decision in the matter. In another case, the District Magistrate, did not say whether the grounds mentioned in the petition were genuine, although this information is naturally a matter of material relivance in disposing of the petition.

3. District Magistrates and the Commissioner of Police, Madras are requested to see that in such cases all the particulars called for are furnished and that their reports contain a definite recomendation on the question whether the petitioner may be released on parole or not.

(By order of His Excellency the Governor)

P.M. Nayak,
